WE SHOULD SMILE.

The thing that goes the farthest toward making life worth while. That costs the least and does the most, is just a pleasant smile. The smile that bubbles from the heart that loves its fellow-men will drive away the cloud of gloom and coax the sun again. It's full of worth and goodness, too, with manly kindness blend; It's worth a million dollars and it doesn't cost a cent. There is no room for sadness when we see a cheery smile; It always has the same good look—it's never out of style; It serves us on to try again when failure makes us blue— Such dials of encouragement are good for me and you. So smile away; folks understand what by a smile is meant— It's worth a million dollars and it doesn't cost a cent.

HE'S COMING HOME!

The Picture Will Help You to Recognize an Old Resident

He's coming home,
And he may be expected any time tomorrow!
A few weeks ago, in company with his good wife, Colonel Thomas J. Winter journeyed to Hot Springs in search of health, and what the trip has done for him is said to be truly wonderful.

You may have called him "Slow," but, under the inspiration of the healing waters of the famous Springs, judging from the above snapshot, he seems to have gotten a move on himself at last.

The likeness has just been taken of the genial Colonel, the camera fiend happily being present when Mr. Winter was at his best.

He is one of Maysville's old admirers, and now that he is restored to health he's coming home or bust.

STREET BEGGING

Children Supporting a Family of Six by This Means

Of all the virtues God has given man Charity is the greatest. Too often is it the case that this best quality of the human heart is most outrageously imposed upon. Yesterday there appeared in the streets two children, a girl, aged about 9 years and a boy several years her junior. To the kind-hearted and sympathetic the appearance of the more than orphans appealed without words to their generosity—the boy was bare-footed, and illy clad, while the girl was garbed in rainbow-hued apparel.

It was evident to the more worldly by their manner of appeal and talk that they were adepts and schooled in their calling—notwithstanding the pathetic paper offered you to read.

The truth of the matter, the mother had the appearance and action of an unkempt old hag, while the long lank father was a selfish brute who is too lazy to settle down and earn an honest living for his progeny.

It is too soft a snap in traveling from one town to another and in having the children beg for them rather than honest toil. The man kept the girl in sight while on her begging tour and at intervals would relieve her of the accumulated pennies and dimes. The party consisted of six.

A lady resident of Front street was moved by seeing one of the girls plodding along barefooted, and called her in and clothed her with stockings and shoes.

They left on a boat for pastures green in upriver towns last night.

Relief Comes at Last to a Maysville Citizen

D. H. BARKER,

SHERIFF OF CHATTANOOGA, TENN.

Another Prominent Man Finds in Vinol the Only Cure for Stomach Troubles.

Hon. D. H. Barker, Deputy Sheriff of Chattanooga, Tenn., writes:

"As I have suffered for years with dyspepsia and stomach troubles, and Vinol has driven that dread disease from my system, I am only too pleased to state my experience for the benefit of others. My system became so enfeebled by indigestion that I was unable to work half the time. Many remedies were given a trial, but Vinol was the only medicine that benefited, and finally cured me completely. I am so grateful to be rid of this trouble that I trust this testimonial will come to the eyes of other sufferers who may be benefited as I have been by Vinol."

What Vinol did for Mr. Barker, our druggist, Mr. J. C. Pecor of this city, guarantees it will do for every person in Maysville suffering from a tired, overtaxed, or worn out stomach which cannot properly digest food.

HON. D. H. BARKER.

Through the digestive organs the blood receives its body building material, and strength and vigor is given to every organ in the body. Vinol strengthens and tones up the weakened nerves of the stomach, and soon enables the sufferer to digest with ease the very foods that once caused distress.

Vinol contains no drugs, no nauseating oil, but it does contain the vital principles of cod liver oil which will heal and tone up irritated, worn, tired stomachs.

If any person in Maysville tries Vinol for stomach troubles, for a run-down, debilitated condition, to give strength to the weak, to gain flesh, to invigorate old people, to make rich red blood and build up the convalescent, to cure hard colds, stubborn coughs or bronchitis, and it fails to give satisfaction, I will refund the money paid for it. Confide in a Woman

How Women Act While Consulting a Male Physician.

A woman is sick; some disease peculiar to her sex is fast developing in her system. She goes to her family physician and tells him her story, but not the whole story. She holds something back, loses her head, becomes agitated, forgets what she wants to say, and finally conceals what she ought to have told, and thus completely mystifies the doctor. Is it any wonder, therefore, that the doctor fails to cure the disease? Still, we cannot blame the woman, for it is very embarrassing to detail some of the symptoms of her suffering, even to her family physician. It was for this reason that years ago Mrs. Lydia E. Pinkham determined to step in and help her sex. Having had considerable experience in treating female ills with her Vegetable Compound, she encouraged the women of America to write to her for advice in regard to their complaints, and being a woman, it was easy for her ailing sisters to pour into her ears every detail of their suffering. In this way

Mrs. Pinkham, in Lynn, Mass.,

was able to do for them what the physicians were unable to do, simply because she had the proper information to work upon, and from the little group of women who sought her advice years ago, a great army of her fellow beings are to-day constantly applying for advice and relief, and during the last year many, many thousands every month have written and received valuable advice and help. Nowhere except at Lydia E. Pinkham's laboratory in Lynn is there such an amount of information at hand to assist in the treatment of all kinds of female ills, from the simplest local irritation to the most complicated diseases of the womb. The records of all the many hundreds of thousands of cases as to which advice has been asked are there kept on file by Mrs. Pinkham, and from this vast experience she is able to do more than the family physician for ailing women. Any woman, therefore, is responsible for her own suffering who will not take the trouble to write to Mrs. Pinkham for advice. The testimonials which we are constantly publishing from grateful women establish beyond a doubt the power of LYDIA E. PINKHAM'S VEGETABLE COMPOUND to conquer female diseases.

HOWE'S PICTURES.

Their record of eighteen successful semi-annual tours shows conclusively the merits of the Lyman H. Howe Moving Picture Co., which exhibits at the Opera-house tonight. No similar show has such an enduring record. The reason of this success is that they have aimed from their first performance to make the next better and they always present more up-to-date and expensive pictures than anyone else dare attempt. They have continued that plan this year on a still wider scale than ever before and their pictures are simply a succession of surprises. The improved machine they use this time is the highest development in the art and projects the pictures in a delightful, satisfactory, elegant and impressive manner. Seats on sale at Ray's.

The rivers are falling steadily, and the coal boat stage will not last much longer unless there is rain. It is said that more towboats are being considered by the operators at Pittsburgh, as there is not enough to take care of the coal when one of the brief periods of coal boat water is at hand, and the shipment is in consequence less than if there were more boats.

She will carry between 11,000 tons of ore and 300 tons of fuel, on eighteen feet draft. This is equivalent to 333 carloads, or eleven trainloads.

KICK AND SCREAM

Baby's Awful Suffering from Eczema.

Could Not Hold Her. She Tore Her Face and Arms.

Cuticura Saved Her Life, So Mother Says.

"When my little girl was six months old, she had eczema. We had used cold creams and all kinds of remedies, but nothing did her any good, in fact, she kept getting worse. I used to wrap her hands up, and when I would dress her, I had to put her on the table for I could not hold her. She would kick and scream, and when she could, she would tear her face and arms almost to pieces. I used four boxes of Cuticura Ointment, two cakes of Cuticura Soap, and gave her the Cuticura Resolvent, and she was cured, and I see no traces of the humor left. I can truthfully say that they have saved her life, and any one suffering as she did, I should advise them to give Cuticura a fair trial." MRS. G. A. CONRAD, Lisbon, N.H., Feb. 7, 1898.

Five years later, viz., Feb. 23, 1903,

Mrs. Conrad writes:

"It is with pleasure that I can inform you that the cure has been permanent as it is now six years since she was cured, and there has been no return of the disease since, and I have advised a lot of friends to use the Cuticura Remedies in all diseases of the skin."

Instant relief and refreshing sleep for skin-tortured babies, and rest for tired, fretted mothers, in warm baths with Cuticura Soap and gentle anointings with Cuticura Ointment, the great skin cure and purest of emollients, to be followed in severe cases by mild doses of Cuticura Resolvent. **DO YOU GET UP
WITH A LAME BACK?**

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are *Bono de Swamp-Root*, sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
